The VLB Voices of Veterans™ program seeks to record the stories of men and women who served our nation in time of war in the hopes of preserving their memories for future generations. Every veteran has a story to tell, and this program will ensure these stories of courage and service can inspire Texans for generations to come.

Interviews can be conducted in person at the VLB office, or by telephone from anywhere in Texas. Each participant receives a commemorative copy of their oral history on CD, along with a letter from the VLB Chairman and a certificate bound in an embossed, leather binder. These are provided free to the veteran or their family members for their participation in our program and in appreciation of their service.
